## A Note from the Director

Dear friends,

Thank you so much for attending the final performances of our Online Solo Strings Intensive students. The past two weeks of OSSSI have been filled with learning and growth; these students have had the opportunity to study privately with some of the greatest teachers in the US in addition to daily masterclasses and seminars.

In total, over 75 students spent a total of 300 hours in private lessons with teachers and over 20 hours in seminars and 20 hours in masterclasses. They have had some amazing opportunities and received a lot of information in a short amount of time, so kudos to them for such hard work and dedication!

I am grateful for your support of OSSSI and String Insiders. Without you, we wouldn't be able to support the students and their music education, so thank you.

If you wish to donate to our scholarship fund, please contact me at [alyssa@stringinsiders.com](mailto:alyssa@stringinsiders.com), or Venmo @alyssaktong and include your email address in the memo to receive a donation receipt.

All donations are tax-deductible.

You can find more information about String Insiders at [stringinsiders.com](http://stringinsiders.com).

Thank you for your support, as always,
